

## INFORMATIONS FOR OUR CLIENTS

Dear Client,

We have the pleasure to inform you that, from next Monday, the 27th April, we will again be able to perform all vaccines and routine surgeries necessary for your pets, in addition to any other care they may need.

We will, however, be putting in place all measures necessary to protect the health of our staff, and also of you, our valued client:

- Only 1 person at a time will be allowed in the consulting room, with your pet
- Maximum of 2 people at a time, spaced 2 metres apart, in our waiting room
- We ask you to please wear a proper face mask, if at all possible
- We will ask you to disinfect your hands immediately on entering the practice, with the sanitizing gel provided
- We will continue to ask you to announce to us by telephone beforehand if you are sick, and in this case, we would ask you to please wait outside the practice.

In so far as concerns your pet and Covid-19, we would invite you to read the following article (only available in French):

Thank you for your understanding,  
Best wishes, and stay safe!
